*Providing Professional
Medical Coverage
for your special event
in New Orleans!*

New Orleans Emergency Medical Service is the 911 provider of EMS in Orleans Parish.

- N.O. EMS is the only service in Orleans Parish with the unique capability to use the new interoperable radio system to communicate with NOPD, NOFD and other municipal EMS services throughout the region.
- Our 911 call takers and dispatchers are co-located with NOPD and NOFD in the Orleans Parish Communication District Unified Dispatch Center.
- N.O. EMS provides medical

coverage for all types of events in the city— large and small including company picnics, major concert events, and Mardi Gras.

Ambulance Crew

An ambulance crew consist of:

- ◆ One Paramedic
- ◆ One EMT

The ambulance is stocked with advanced cardiac life support medications and equipment. The ambulance is prepared to take care of all medical and traumatic emergencies.

Bike Team

The New Orleans EMS Bike team is a highly specialized medic. All N.O. EMS Bike Team members are:

- Certified by The International Police and Medic Mountain Bike Association (IPIMBA).
- Equipped to handle any medical or traumatic emergency until an ambulance arrives.
- Carry advanced cardiac life support (ACLS) medications and tools found on an ambulance including a cardiac monitor/defibrillator.

The bike team consists of:

- Two EMTs/Paramedics on EMS bikes specially equipped for outdoor festivals where there is substantial pedestrian traffic.

Sprint Car

A sprint car consist of:

- One Paramedic
- The sprint car is stocked with the same advanced cardiac life support medications and equipment as the ambulance, with out the transport capability.

Gator Ambulance

The Gator Ambulance is used to extract injured or sick people from areas inaccessible to standard ambulances. The Gator then takes the patient to a first-aid station or awaiting ambulance while providing care.

- The Gator Ambulance is stocked with all of the advanced cardiac life support medications and equipment. The ambulance is prepared to take care of all medical and traumatic emergencies.

A Gator Ambulance crew consist of:

- ◆ One Paramedic
- ◆ One EMT
