We are introducing the first Louisiana Structural Pest Control Commission accredited City of New Orleans and Greater New Orleans Pest Control Association Termite Academy. This three day Academy will offer comprehensive and in-depth information regarding termites and wood destroying organisms. The Academy will place emphasis on field training and insect identification. In order to provide hands-on training, the class size is limited to 30 registrants. The Academy will include presentations by industry leaders and universities experts.

## Academy Topics Include:

- Subterranean termites
- Drywood termites
- Wood destroying insects
- Construction types
- Conducive Conditions
- Inspections and inspection tools
- Liquid termiticides
- Baiting technology
- Structural fumigation
- Integrated pest management
- Calibration
- The label
- Insect identification
- Rules and Regulations
- Ethics and professionalism
- Pre- and post-construction options
- Tree treatments
