

May 8, 2008

Dear Applicants and Interested Parties:

Attached is the agenda for the next meeting of the Architectural Committee of the Vieux Carré Commission, scheduled for **Tuesday, May 13, 2008**, 1:30 p.m., in the CONFERENCE ROOM, SECOND FLOOR, 334 ROYAL STREET. The committee will consider each application in the order of the scheduled agenda.

Sincerely,

Lary P. Hesdorffer
Director

AGENDA
VIEUX CARRE COMMISSION
ARCHITECTURAL COMMITTEE MEETING
TUESDAY, MAY 13, 2008
1:30 P.M.
CONFERENCE ROOM
334 ROYAL STREET, 2ND FLOOR

I. OLD BUSINESS

829 Dumaine: Randy Aucoin & John Grey, owners; Rene J.L. Fransen, applicant/landscape architect. Proposal to retain rear shed, constructed without a permit, and proposed landscaping and installation of swimming pool, flagstone paving, stucco wall & fountain, per application received 04/16/08 and updated drawings received 05/06/08.

II. NEW BUSINESS

1123-25 Burgundy: John W. Connolle, owner/applicant. Proposal to remove electrical distribution boxes from side alley and install new pull box and main disconnect on facade, per application & material received 04/21/08.

901-03 St. Peter/701-07 Dauphine: Barbara Bear, owner; Rodney Ratliff, architect/applicant. Proposal to remove the non-original iron balcony on both elevations and install a covered wooden gallery with turned posts and spindles, per archival photographs, per application & drawings received 05/06/08.

809-15 Chartres: Valentino Investments, owner; John C. Williams Architects, LLC, applicant. Proposal to construct two exterior stairways on the rear of the buildings for fire exiting, including the demolition of a bathroom addition on the downriver side, per application & drawings received 05/06/08. [NOTE: similar proposal was approved conceptually by the VCC, December 16, 1997 but a permit was never issued.]

III. APPEALS & VIOLATIONS

735 Bourbon: John L. Arbizzani, owner; Bobby Guitreau, applicant. Proposal to 1) retain alterations made to the carriageway including a stairway, a partition wall, and framing for vaulted ceiling; 2) construct an elevator at the rear of the carriageway including a mechanical penthouse emerging above roof and 3) other miscellaneous alterations, per application & drawings received 05/08/08. [NOTE: application is in response to STOP WORK order issued for work having begun without benefit of application or permits.]
