

June 3, 2008

Dear Applicants and Interested Parties:

Attached is the agenda for the next meeting of the Architectural Committee of the Vieux Carré Commission, scheduled for **Tuesday, June 10, 2008**, 1:30 p.m., in the CONFERENCE ROOM, SECOND FLOOR, 334 ROYAL STREET. The committee will consider each application in the order of the scheduled agenda.

Sincerely,

Lary P. Hesdorffer
Director

AGENDA
VIEUX CARRE COMMISSION
ARCHITECTURAL COMMITTEE MEETING
TUESDAY, JUNE 10, 2008 1:30 P.M.
CONFERENCE ROOM
334 ROYAL STREET, 2ND FLOOR

I. OLD BUSINESS

300 Bourbon: Royal Sonesta Hotel, owner; Daniel D. Taylor (Koch & Wilson Architects), applicant/architect. Review of final details for construction of additions to the existing rooftop penthouse to accommodate a health and fitness spa, per application & revised drawings received 05/27/08.

901-03 St. Peter/701-07 Dauphine: Barbara Bear, owner; Rodney Ratliff, architect/applicant. Proposal to remove the non-original iron balcony on both elevations and install a covered wooden gallery with turned posts and spindles, per archival photographs, per application received 05/06/08 & revised drawings received 06/03/08.

II. NEW BUSINESS

721 Chartres (720 Royal): Archdiocese of New Orleans, owner; Alfred Lemmon, applicant. Proposed archaeological excavation/investigation of St. Anthony's Garden at the rear of St. Louis Cathedral in preparation for landscape restoration, per application received 05/27/08.

1101-03 Dauphine/901-05 Ursulines: Cheryl & Dickson Betz, owners; John C. Williams Architects, LLC, architect/applicant. Proposal to: 1) remove existing iron balcony & install wooden gallery with cast iron railing, per archival photographs; 2) reconfigure carriageway entrance including new wooden beaded board gates set within beaded board wall on the Dauphine elevation; & 3) relocate air conditioning equipment from ground location, Dauphine carriageway, to elevated platform to be constructed behind a proposed parapet wall above carriageway gates, Dauphine elevation, per application & drawings received 06/03/08.

III. APPEALS & VIOLATIONS

1303 Burgundy Street: Morro Castle Homeowners Association, owner; Katherine Harmon, architect/applicant. Proposal to construct a rooftop cupola (mechanical penthouse) to enclose existing HVAC equipment; replacing former equipment enclosure, per application and drawings received 06/03/08.

IV. OTHER BUSINESS

Presentation by Beth Galante, from Global Green USA's New Orleans Resource Center, regarding green products and techniques relevant to the French Quarter
